During this time period, invoice payment metrics were not reported and as such, the data was not collated. During this time, the Trust was on a different accounting system and given the length of time, it does not have access to such accounting information. All reported information above has been previously disclosed within the Trust's Annual Report.

During this time, the metrics were calculated on whether the invoice was paid within its payment terms, from the date of the invoice.

All reported information above has been previously disclosed within the Trust's Annual Report.
