

Freedom of Information Act Request

Request for Information under the Freedom of Information Act 2000

I am currently conducting some personal research on the size and age of imaging equipment across acute NHS Providers in England. To aid my research, I am requesting that you provide (in editable digital formats) the data points listed below per the Freedom of Information Act 2000.

1. CT Scanners
 - a. Number operated = 4 (3 owned by the trust, one is independent sector)
 - b. Quantity
 - i. Make,
 - ii. model and
 - iii. age of each scanner

Asset Specification			
Modality	Equipment Detail	Manufacturer	Date of Manufacture (month/year)
CT	64 detector rows or more but less than 256 detector rows with iterative reconstruction	Siemens Healthcare	Jan-19
CT	64 detector rows or more but less than 256 detector rows with iterative reconstruction	Siemens Healthcare	Jan-19
CT	64 detector rows or more but less than 256 detector rows with iterative reconstruction	Siemens Healthcare	Jan-21

- c. Use of outsourced CT service provider
 - Y one of the four scanners
 - d. MR Scanners
 - e. Number operated = 4 (3 owned by the trust, one is independent sector)
 - Quantity
 - Make,
 - model and
 - age of each scanner

Our Ref: 605

August 2024

Modality	Equipment Detail	Manufacturer	Date of Manufacture (month/year)
MRI	Wide Bore 1.5T	Siemens Healthcare	Jan-11
MRI	Wide Bore 1.5T	Siemens Healthcare	Jan-09
MRI	Wide Bore 1.5T with scan time reduction software	Siemens Healthcare	Jan-21

Use of outsourced MR service provider

i. Y one of Thr four scanners

2. PET/CT Scanners none

Number Operated

Quantity

Make,

model and

age of each scanner

c. Use outsourced PET/CT service provider.

Y/N

i. If Yes

Provider Name(s) and

Location

As mentioned above I'd be grateful if these data could be provided in editable digital format.
